Subject: Clean our river and promote our economy

Don't approve a cleanup plan that may hurt jobs because it is so expensive.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

As you consider all the options, please don't support a plan that costs a lot of money and will force small companies to spend a lot on the cleanup.

Sincerely,
